with the medicine doctors recommend most for children.

Cassettes receiving air-play in January include KAMIKAZE REFRIGERATORS, PELL MELL, SUB POP 7, KPG, BRAIN DAMAGE, THE OTHER, LADD/FRITH, BAD BRAINS, and FAST FORWARD 13.

New Babylax takes just seconds to use. Simply remove the protective shield, insert the lubricated applicator, squeeze the bulb, remove and discard. A normal bowel movement should occur within minutes.
